MAKING MEMORIES...

Meeting New Friends!

Cypress Cove is a great place to unwind and relax. You'll find that when you remove your clothes, you tend to take away the barriers that lead to stress. Clothing can lock us into expected roles and behaviors. Take away the clothes and everyone is equal. It's a welcoming atmosphere that allows people to be accepted for who they truly are.

AMAZING AMENITIES

Since 1964, Cypress Cove Nudist Resort has been the preferred location for clothes-free vacationers from around the world. This nearly 300-acre resort includes a beautiful tree-lined lake surrounded by acres of protected wetlands, a large recreation area, and even a residential community.

Cypress Cove offers everything you need in a destination resort; organized activities, a hair & nail salon, massage center, bike & golf cart rental, fully equipped fitness room, and a recently expanded sandy beach with docks, canoes, paddle boards & pedal boats.

Relax around two crystal clear pools or soak in one of the inviting hot tubs. Get active on the tennis courts, pickle ball courts, play petanque, volleyball, shuffleboard, or even chip and putt golf. The choice is yours!

Karaoke the night away or take part in a special themed weekend with live entertainment, dancing and variety shows.

Delectable DINING

Being a full-service resort, Cypress Cove offers various on-site dining options.

Lakeside Restaurant sits under a canopy of cypress trees and offers breathtaking sunrise views over a 50-acre natural Florida lake. Enjoy dinner, dances and live music in a beautiful, clothing-optional dining experience.

Scuttlebutts is our nautical themed bar located inside the Lakeside Restaurant. It plays host to karaoke and trivia nights. A perfect place to enjoy the company of friends!

Cheeks Bar & Grill is a relaxed poolside eatery in the heart of Cypress Cove's entertainment complex. Test your skills in a game of pool or just relax with a cool drink while watching the latest sporting event on one of the big screens.
