## CYPRESS COVE NUDIST RESORT INVITES PUBLIC TO OPEN HOUSE EVENT

Been curious? Experience an afternoon of au natural relaxation.

KISSIMMEE, FL, June 22, 2021 – As part of National Nude Week (July 4-11)—yes, there is a national week for that—Cypress Cove Nudist Resort in Kissimmee is opening its doors to the public for an Open House event on Saturday, July 10th from Noon until 4:00 p.m.

What happens at a nudist resort open house? Simply put, Cypress Cove invites you to visit as a special guest so you can see how much fun au natural recreation can be. With complimentary resort tours, music by the pool, and access to all resort amenities, you can finally satisfy that curiosity while experiencing wholesome, family-friendly, clothing-free recreation for yourself.

“We know there is a lot of curiosity out there,” says Cypress Cove’s general manager Peter Sewall. Cypress Cove has seen a spike in interest since being featured in the Netflix documentary series Worn Stories. “People want to know what it’s like at a nudist resort.”

Sewall believes Internet searches and word-of-mouth testimonials are an excellent start in the right direction.

“Eventually,” he says, “you reach the point where you just have to see what it is all about in a friendly, no-pressure, judgment-free experience. We provide that every day. But Open House lets you do that as part of a larger group of first-timers.”

Sewall and his Cypress Cove staff understand that the idea of a first-time nudist experience can be daunting. In fact, that is what National Nude Week is all about. Nudist clubs and resorts like Cypress Cove participate by hosting similar events all across the country.

“Mainly, we’re here to answer questions, show off the resort, and encourage people to give it a try,” Sewall says. “There are many misconceptions out there regarding nudist resorts. Once you come in and see it for yourself, though, you have a better understanding—and appreciation—for a totally natural and freeing relaxation option.”

At Cypress Cove’s Open House, there is never pressure to disrobe. Guests may remain clothed and relax by the lake, or they can bring a towel, shed their clothes, and enjoy one of the pools during the afternoon pool party.

“Of course,” Sewall adds, “it is our hope that Open House guests will stay and enjoy a clothing-free afternoon. Cypress Cove has been here for fifty-seven years and we continue to grow in popularity every year. If you’re ready to jump in, the Cove is the safest and best place to do it. And we’d love to have you.”

Cypress Cove’s Open House is a great way to satisfy your curiosity and see just how much fun visiting a family friendly nudist resort can really be. Now is your chance to try something new, and it’s free!
