Cypress Cove Wins 2023 TripAdvisor Travelers' Choice Award for Hotels

Nudist Resort's Great Guest Reviews Land it a Place Among Travelers' Favorites

KISSIMMEE, FL – May 31, 2023 – Cypress Cove Nudist Resort is proud to announce that it has been recognized by TripAdvisor as a 2023 Travelers' Choice award winner for hotels. The award celebrates businesses that have received great reviews from travelers around the globe on TripAdvisor over the past 12 months. Cypress Cove stood out by consistently delivering positive experiences to its guests and members.

Peter Sewall, Cypress Cove's general manager, said that winning the TripAdvisor award shows how clothing-optional travel has become more widely accepted as a legitimate and fun vacation alternative.

"Cypress Cove is proud to be a winner of the Travelers' Choice award again for 2023," Sewall said. "Not only does this win represent the hard work of every Cypress Cove team member, but it also proves that there is plenty of room in the hospitality industry for a top-notch, family-oriented nudist resort like ours to be notable and respected. I want to thank TripAdvisor for recognizing us, and our guests for all their wonderful reviews."

Each year, TripAdvisor collects reviews and ratings from travelers' favorite properties around the world, so the award is truly a reflection of guests' experiences. Winning the Choice Award places Cypress Cove in the top 10% of hotels worldwide.

"Congratulations to the 2023 TripAdvisor Travelers' Choice Winners," said Kanika Soni, chief commercial officer at TripAdvisor. "The Travelers' Choice Awards recognize the best in tourism and hospitality, according to those who matter most: your guests."
