

Cypress Cove Nude Body Painting “Glow in the Dark” Event Rules

Dear Professional Body Painters,

Cypress Cove is proud to announce our Seventh Annual Professional Body Painting Contest on the date of Saturday, August 17th, 2019. We received some feedback from the artists and will be making a few tweaks. This year to make it even better we have introduced a new theme this year, “Black Light”. The more creative you get with the theme the better. We will also be providing food and beverages for the artists and models this year. Each Artist will be provided an indoor, air conditioned space to work. We also added in an hour for lunch and an hour for photos before the judging. Body Painting and Nudism make a great combination, as it provides artists the opportunity to work out in the open. Resort guests will be invited to watch the artists work, though most will wait to see the final product at the judging. The prizes for the event will be as follows:

First Prize - \$500

Second Prize - \$250

Third Prize - \$150

You can pay for the Event & download all the paper work you need at the following website:

Please let us know if you have any questions, concerns or suggestions. We are working hard to grow this into a great event for both of our communities.

Best regards, Ted Hadley Cypress Cove Resort Florida's Most Beautiful Clothes-Free Resort
