## Welcome Nude Cruiser!

### What's Included in this packet:

**Welcome Letter** - You're holding it! Read it! It's Important!

**Colored Wristband** - To save time and hassle all cruisers have been pre-registered to a bus. Colored wristbands will be distributed that will tell you what color bus you will be riding on. You need to keep your wristband till the Sunday morning boarding at 10 am on Dahooon St. (The street right next to the Villas), because that is your ticket to board the bus.

**Sticker** - There is a sticker for each member of your party. Save these for the day we return home. Put it on BEFORE you leave the boat in the morning. It is used to help us identify all our great returning guests to Cypress Cove.

### Here's the schedule for the morning of departure:

#### Sunday February 23rd

**7:30 am Cheeks opens for Breakfast.** On Sunday morning, Cheeks will be serving a Continental Breakfast that will include Fruits, Danishes, Muffins, Bagels, Scrambled Eggs, Breakfast Potatoes, Bacon and Sausage starting at 7:30 AM. The cost is \$11.95 per person & includes Orange Juice, Milk Coffee and Tea. To-Go boxes will be available for guests, in case they want to grab-n-go for \$9.95.

**8:00 am-10:00 am Parking for Hotel & Drive-in Guests in the Garden Area.** We will have shuttles running people between the garden and the Bus area.

**9:00 am-10:00 am Drop off luggage on Dahooon Street.** We will have cones out showing where each bus will be parked. They are listed by Bus color (Gold, Blue, and Red). Drop off your luggage and it will be loaded on the bus for you. Do make sure you see your luggage goes on board the bus before getting on for the trip.

#### 9:30 am Busses Arrive

#### 10:00 am Busses leave for the Nude Cruise

**Cypress Cove will have a table at Deck 2 Forward on the following Sea Days.**

**Day 2 February 25 9am-12pm & 2pm-4pm Day 6 February 29 9 am- 1pm**

**Group Photo Scheduled for February 25 — First Sea Day— at approximately 4:15 pm at the Camelot Forward Pool.**

#### The Return from the ship:

- Please **DO NOT** get off the boat early. We plan to arrange for a group departure. Hopefully, everyone should have the same departure time. If you get off before our staff, there will be no one to direct you to our buses.
- Get up, **put your Cypress Cove sticker on**, grab some breakfast and get off the boat at your specified time.
- You will have to claim your luggage in the baggage claim area. **Porters may help with your bags, you will need to tip them.** Gratuities are included for the beginning of your trip, but not the end.
- When you get off the boat, **be sure your sticker is visible and keep an eye out for Peter or Carolyn, who will be directing you to our busses.** When we fill a bus, we will send it. There will only be one open bus at a time. If you want to sit with certain people for your return trip meet up with them before you get to the busses.

**Have a great trip and we will see you on the ship!**

**Please Note: On your return, your hotel room will be ready at the earliest possible time.**

**Thanks for your cooperation!!!**
