About this item

- **WHY CHOOSE AHAM VERIFIDE AIR PURIFIERS:** AHAM (Association of Home Appliance Manufacturers) is an ANSI-accredited organization that sets strict standards for appliance performance. Air purifiers with the AHAM VERIFIDE seal have been independently tested for air cleaning performance, safety, and energy efficiency. When you choose an AHAM certified air purifier, you're choosing a product trusted for reliable and effective indoor air quality improvement.
- **HIGH-PERFORMANCE AIR PURIFICATION:** Powerful 56W High-Torque Motor paired with a 143 CFM CADR ensures fast, effective air cleaning. Cleans rooms up to 1,073 ft² with the original filter. The Levoit original filter is HEPA-grade while operating in Sleep Mode with industry-tested results. Compact Size: 8.7" x 8.7" x 14.2" | Weight: 7.9 lbs – ideal for home, bedroom, or office.
- **AHAM VERIFIDE FOR PROVEN PERFORMANCE:** The Core 300-P is AHAM VERIFIDE with CADR (Clean Air Delivery Rate) ratings of 143 CFM for smoke, 153 CFM for dust, and 167 CFM for pollen, giving you verified, transparent results.

- **GENUINE REPLACEMENT FILTERS:** For the best performance and longest lifespan, use official Levoit replacement filters. Levoit filters provide the best fit and filtration, while off-brand filters may be unreliable and may damage the air purifier.
- **MULTIPLE FILTER CHOICES:** Choose from a variety of replacement filters to best meet your needs. The Toxin Absorber Filter specializes in smog, toxins, and VOCs, while the Smoke Remover filter addresses smoke from wildfires, smoke, and other particulates. The Pet Allergy Filter captures fur and absorbs unpleasant odors.
- **FIND RELIEF:** Our filter has strong filtration performance of ultra-fine particles. 99.97% filtration efficiency for 0.1 to 0.3µm airborne particulates, including pollen, dust, and animal dander allergens. Tested by an independent lab.
- **WHISPER-QUIET AIR CLEANER:** Select Sleep Mode at night and forget all about your air purifier while you sleep. QuietKEAP Technology reduces noise levels to a near-silent 24dB in Sleep Mode, ensuring you get a good night's rest.
- **SLEEK DESIGN:** The Core 300-P Air Purifier (Model No.: Core 300) effectively purifies your home while blending in with your decor. Its award-winning design (Red Dot, 2020) and modern white finish ensures that it fits in any room in your home.
- **UNDISTURBED OPERATION:** The display light can be turned off to enjoy a perfect night of sleep without being distracted by the light. The display also features a timer for 2/4/6/8 hours and filter lifetime indicator.
- **CERTIFIED SAFE FOR HOME USE:** The Core 300-P is AHAM verified, FCC Certified, ETL Listed, and CARB Compliant for California indoor air quality standards.
