About this item

- Eliminating back-to-back cooking like a traditional single-basket air fryer with 2 independent XL air fryer baskets.
- Achieve the perfect doneness, from rare to well-done, at the touch of a button with the integrated Foodi Smart Thermometer—no guesswork required.
- The Smart Finish feature, unlocks cooking 2 foods 2 ways that finish at the same time, or the Match Cook feature, easily copies settings across zones for full 10-qt. capacity.
- Optimally distributes power across each basket to cook a 6-lb. whole chicken and side as quickly as possible when Match Cook or Smart Finish is not selected.
- Air Fry, Air Broil, Roast, Bake, Reheat, and Dehydrate.
- Cook a main and a side at the same time for quick, large family meals, or cook up to 8 -lbs. of chicken wings with ease.
- They have their own cooking baskets, cyclonic fans, and rapid heaters.
- Cooks two 6-lb. chickens up to 30% faster than a traditional oven. Frozen-to-crispy meals in 30 minutes. Wide temperature range, from: 105°F–450°F.
- Includes nonstick cooking baskets and dishwasher-safe crisper plates.
- Ninja Foodi Dual Zone Air Fryer, Foodi Smart Thermometer, (2) 5 Quart Baskets, (2) Nonstick Crisper Plates & 15-Recipe Guide.
