About this item

- Reacher sunrise alarm clock mimics the glow of natural light. Its sunrise simulation gently brightens your room from 1% to 100% over 5–60 minutes, easing you out of sleep like a soft morning breeze. Without harsh alarms — just a gentle wake up light that makes every morning feel calmer, brighter, and truly refreshing.
- 26 gentle sleep sounds, like white noise, ocean waves, rain, wind - help block distractions, quiet your thoughts, and guide you into deep, restful sleep. A 5–180 min timer automatically turns off sound and night light, supporting a peaceful and personalized bedtime routine.
- With a full-range display dimmer, get your personal comfort clock brightness without disturbing your sleep at night. 8 different colors of the nightlight with adjustable brightness. Soft light for reading, no eye strain for kids and adults.
- Designed for simplicity, the clock features clearly labeled icons and a logical layout for easy one-handed use. Just a quick glance to get started. With a built-in battery, you'll worry about losing your alarm, light, or sound settings—even if the power goes out.
- You will love the aesthetic of this sunrise clock sound machine. Sleek, clean, and modern make it looks like a beautiful piece of wood furniture. Functionality and stylish appearance make it a perfect gift for your family, lovers, friends, and kids.
